THE BURKA COLLECTION

On July 2nd The Biggs Museum in Dover, DE will open an exhibition featuring illustrations by Frank E. Schoonover from the collection of the late Dr. Edward R. Burka. Ed was a very good friend and a passionate collector of my grandfather's paintings, both illustrations and landscapes.

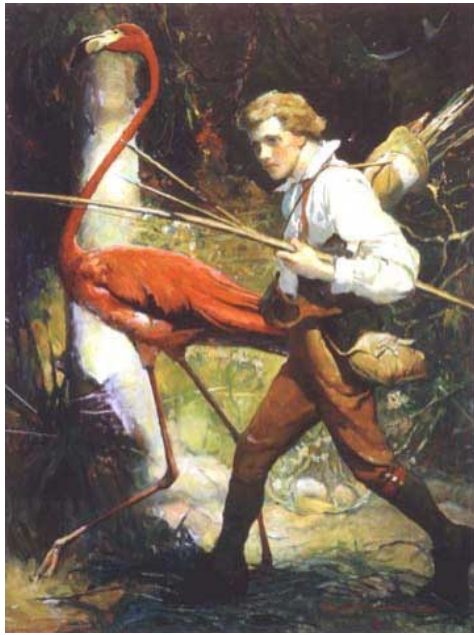

The highlights of the collection, and there are many, include four Harper's Children's Classics covers: Treasure Island, Gulliver's Travels, Kidnapped, and Swiss Family Robinson. The exhibition, which also includes rare engravings and photographs by Winslow Homer, will run through October 16th, 2021. www.biggsmuseum.org.
